MEMORANDUM FOR: Audit Liaison Officer

SUBJECT : Contract No. TA-3034

1. Reference is made to Contract No. TA-3034 with Westinghouse Electric Corp., Baltimore, Md.

2. It is requested that the final cost audit report and the property audit report on the subject contract be furnished the undersigned at your earliest convenience. It is also requested that the cost audit report include your recommendations as to use of the overhead rates proposed by the Contractor in its letter of 3 April 1959, a copy of which was forwarded you by memorandum DPD-2504-59, dated 14 April 1959.

3. The Contractor was authorized to work such overtime as considered necessary to fulfill the requirements of the contract. Should the Auditor find other items requiring Contracting Officer's authorizations it is requested that such items be listed in the Audit report for after the fact consideration.

4. Technical responsibility for performance of the contract work and accountability of equipment resulting from performance of the contract was transferred to the Weapons Guidance Laboratory, WADC, Wright-Patterson AFB, Dayton, Ohio. Attached is copy of letter dated 26 January 1959 from Westinghouse to WADC, together with Form DD-250 requesting disposition instructions for all residual material. The records of this office and the Supply Depot indicate that no Government furnished equipment other than that generated in the performance of the work was supplied to the Contractor.

5. The undersigned has been formally advised that performance on all phases of work funded under Contract No. TA-3034 has been satisfactorily completed and that all equipment required by the Contract including drawings and manuals has been accepted by WADC.
